# THE CORE OF BRABUS MARINE

As one of the world’s most iconic boat brands specializing in luxury products for markets around the world, BRABUS Marine focuses on several key principles:

**PERFORMANCE** – All of our boats are characterized by superior performance courtesy of the latest high-tech engine technology. Through an unwavering commitment to perfection and a pursuit to redefine the superlative, the BRABUS Shadow range offers exceptional in-class power, an unparalleled driving experience and endless “go-anywhere” capabilities.

**LUXURY** – Our dual-personality design ensures that our performance figures do not come at the expense of on-board luxury. We guarantee sophisticated comfort as well as exclusivity on and below deck designed for a selected group of boat owners who wish to enjoy only the very best boating experience.

**FUNCTIONALITY** – Beyond the right looks and performance, BRABUS Marine as a brand stands for accessibility, comfortable handling and unmatched drivability. Through a 100 % tech driven development approach, we combine functionality with ease of movement.

## INSPIRING. LUXURIOUS. FUN. THE BRABUS SHADOW 300 RANGE

In typical BRABUS fashion, the BRABUS Shadow 300 range, consisting of a Cross-Top and Cross-Bow model, is characterised by an immaculate attention to detail. Exterior focal points include quilted upholstery, BRABUS badges, a carbon dashboard panel and optional carbon backrests. BRABUS' fine leather Alcantara in the forward cabin and Sign of Excellence with BRABUS CEO Constantin Buschmann's name and signature in the helm area complete the boat's stylish interior.

Furthermore, the full 300 range is an ultimate display of multifunctionality, defined at its core by cutting-edge innovation and compelling solutions that provide an unmatched utilisation of space without having to compromise any of its extra-luxurious comfort.

The BRABUS Shadow 300 is equipped with a Mercury 300R V8 racing engine and thus offers incredible power — able to reach mesmerizing speeds of over 50 knots without compromising stability, handling or agility.

The multi storage aft layout option is perfect for owners with a large collection of water toys and gear, from snorkeling fins to SUP boards. Its layout can be furthermore easily transformed to fit various needs.

The BRABUS Shadow 300's commodious fore cabin comprises a double bed, toilet, and fresh-water system. Optional fridge and sink units can be integrated under the boat's front seats. At the bow, an extra comfortable sunbed offers a perfect space to socialise with friends or relax in the sun.
